Major General Lee, Sun Chul
Director General, Logistics Management Bureau
Ministry of National Defense
Republic of Korea

November 3, 2008

MG Lee,

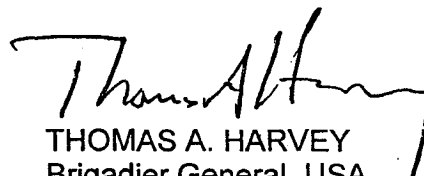

I would like to take this opportunity to thank you for your strong support for the U.S.-ROK alliance and greatly value your personal efforts taken to bring the War Reserve Stocks for Allies (WRSA-K) Memorandum of Agreement (MOA) negotiations to a successful conclusion.

As you know, the MOA requires that the U.S. and the ROK identify in a separate document those Appendix B munitions which are requested by the ROK to remain in Korea until 2018. The purpose of this letter is to provide you with the list of such munitions, as required. Attached is an acknowledgement which I ask that you sign, indicating that you have received the enclosed list and agree with its contents, and then to return it to me so that the U.S. can prepare its notification to the ROK, as required by Art.12 of the MOA.

Our action officers have been meeting on these and other subjects recently, and I am confident that, with your support, we will be able to complete the transfer of the WRSA-K stocks that MND has agreed to accept in a timely and efficient manner.

I look forward to working with you to continue to strengthen the US-ROK Alliance.

Sincerely,

THOMAS A. HARVEY
Brigadier General, USA
Assistant Chief of Staff, J4
